

## Bright Beginnings \Indirect Supervision Consent Form School Age – Alboro Site Grade 1 – 5 (age 6 – 12)

The indirect supervision release form provides your child with the independence to travel short distances without direct supervision.

When a child leaves the area, their name is marked down on a sheet as well as the time they left. Staff use walkie talkies to inform each other that a child is leaving the area. A staff monitors the time away. If a child is away for more than 3 minutes, staff follow up to see how the child is doing.

This permission will continue from the date of this document until your child leaves the BBE school age program or you provide notice that you would like to update the form.

My child(ren) \_\_\_\_\_ ,

(birth date(s) \_\_\_\_\_ has demonstrated the ability to

act independently with only indirect supervision during the following situations.

Parent Name. \_\_\_\_\_
